Hello Hiring Manager,

I am applying for the Maintenance Service Manager / HVAC Maintenance Technician role. With over 5 years of apartment maintenance experience and certifications including EPA Universal HVAC, ASAC, and OCT, I am confident I can add value to your team immediately.

I have a strong record of:

Leading maintenance teams and completing unit turnovers quickly.

Diagnosing and repairing HVAC, plumbing, electrical, and appliance systems.

Reducing emergency calls by 30% through preventative maintenance programs.

Building positive resident relationships through dependable, timely service.

I am dependable, safety-focused, and committed to providing both technical expertise and excellent resident support. Please find my resume attached for your review. I would welcome the chance to discuss how I can contribute.

Thank you for your time and consideration.

Best regards,

NAME
